PROBLEM

Martin

**Abraham:**

**Father Of Faith**

There is no condemnation because the Spirit-law has set you free from the sin-law. Because God has acted in His Son and His Spirit to condemn sin and provide life. Because there are two types of people and you are the spirit-type, because these two types are heading respectively for death and life.

There is no condemnation... because of all of this.

As a community,  
we can point our feet in God's direction  
and be Spirit-led, not sin-dead.

The gift of freedom is for the community.

Find freedom from sin

and we become God's gift to the world.
