

Zaburi 111

Sifa, unabii (hufunua moyo wa Mungu), na busara.

Hii ni shairi ya sifa, kila mstari unaanza na barua kutoka kwa alfabeti ya Kiebrania. Chochote chochote cha ubunifu tunachotumia, kwa kuzingatia Nani Mungu, na yote aliyoyafanya, tutatupa mfumo wa kumtumaini baadaye. Dunia imejaa vitu vinavyotaka kutushawishi watatoa hisia za usalama, na kuridhika sana. Lakini chochote mbali na Bwana hawezi kutupa usalama wa kweli, matumaini au amani. Bwana ndiye anayetimiza nafsi yetu.

Tunaenda wapi kutafuta njia ya kukuza na kusimamia ahadi yetu kwa Mungu? Kwa nini, katika kanisa, bila shaka! Zaburi 111 inatukumbusha kuwa ni katika jumuiya tunayoshirikisha hadithi za imani, tueleze juu ya asili ya neema na rehema ya Mungu, na kujifunza kufanya mafundisho (Sharron R. Blezard, 2015).

Mungu anafanya nini ndani na kwa njia ya kutaniko letu?

Je! Jirani yetu ni tofauti kwa sababu ya Yesu ndani yetu?

Je, Bwana ameponya ndani yako mwaka uliopita?

Angalia nzuri kwa Mungu na kwa watu wake.
Andika mawazo yako, na uwashiriki na mtu.

Psalms 111

Praise, prophetic (reveals God's heart), and prudent.

This is a poem of praise, each line beginning with a letter from the Hebrew alphabet. Whatever creative tool we use, focusing on Who God is, and all He has done, will give us a framework for trusting Him in the future. The world is full of things that seek to convince us they will provide a sense of security, and deep satisfaction. But anything apart from the Lord can't give us true safety, hope, or peace. Only the Lord satisfies our soul.

Where do we go to find an avenue for cultivating and stewarding our commitment to God? Why, in the church, of course! Psalm 111 reminds us that it is in community we share the stories of faith, tell of God's gracious and merciful nature, and learn to practice discipleship (Sharron R. Blezard, 2015).

What is God doing in and through our congregation?

How is our neighborhood different because of Jesus in us?

What has the Lord healed in you over the last year?

Look for good in God and in His people.
Write your thoughts, and share them with someone.
