

1 Yohana 4:7-21

Katika kifungu hiki, Yohana anatusaidia kuelewa zaidi juu ya upendo na nini maana kwa wale wanaojumua kumjua Mungu. Mara mbili Yohana anasema waziwazi "Mungu ni upendo" (vs 8, 16). Upendo sio sifa tu ya Mungu, wala upendo si sehemu ya asili ya Mungu. Yohana badala yake anasema upendo ni kiini cha Mungu. Kwa hiyo Mungu sio upendo tu, Mungu ni upendo. Upendo ni nani Mungu ni nani. Kuwa na uhusiano na Mungu-ambaye asili yake ni upendo una maana muhimu kwa sisi ambao tunamfuata (J. Sunberg, 2018).

Wamesimama mguu wa Msalaba, akitazama urefu ambao upendo wa Mungu umetenda kwetu, haiwezekani (isipokuwa tukiwa na moyo mgumu sana, isipokuwa akisema, hatujui Mungu kabisa) ili tusijue nguvu na uwezekano ndani ya upendo huo. Huu ndio nguvu ambayo imebadilika ulimwengu, na inaweza kuendelea kubadilisha ulimwengu kama wafuasi wa Yesu wangeweza kuja na bodi hiyo (N.T. Wright, 2011).

Je, tunapenda jinsi gani dunia inaweza kubadilishwa kwa bora?

Ni mabadiliko gani kwetu ambayo ingealika kuwa mabadiliko yatangu?

Je! Bwana anafundisha ninyi ya upendo, ambayo inabadilisha moyo wako?

Ni nani ambaye utazingatia moyo wako kwa sala wiki hii?

Tendo gani la siri la upendo litabariki dada au ndugu wiki hii?

Kumwomba Bwana kutambua kitu chochote ndani ya moyo wako na kukufanya uwe na hofu, na kumpa kwa hiari, kwamba utakuwa huru kupenda.

Wiki ijayo: 1 Yohana 5:1-6

1 John 4:7-21

In this passage, John helps us understand more about love and what it means for those who claim to know God. Twice John clearly states "God is love" (vs. 8, 16). Love is not simply a characteristic attribute of God, nor is love merely a part of God's nature. John instead claims love is the very essence of God. So God is not simply loving, God IS love. Love is Who God is. To be in relationship with God—Whose very nature is love has powerful implications for we who follow Him (J. Sunberg, 2018).

Standing at the foot of the Cross, gazing on the length to which God's love has gone for us, it's impossible (unless we are particularly hard-hearted; unless he says, we simply haven't known God at all) not to sense the power and possibilities within that love. This is the force that has changed the world, and could still change the world if the followers of Jesus would really come on board with it (N.T. Wright, 2011).

How do we dream the world might be changed for the better?

What change in us would invite that transformation to begin?

What is the Lord teaching you of love, that is changing your heart?

Upon whom will you focus your heart in prayer this week?

What secret act of love will bless a sister or brother this week?

Ask the Lord to identify anything in your heart causing you to fear, and consciously give it to Him, that you will be free to love.

Baba, tunapojifungua kwa Wewe, tunakiri maeneo ambayo hayana upendo. Tuwasamehe kwa kuchagua tabia / vitendo vya wivu & kisasi juu ya kupendana. Tunakaribisha Roho wako katikati ya viumbe wetu kutujaza na Upendo wako & kuondokana na majibu yoyote au motisha ambayo haipungukani na upendo. Tusaidie kukupenda kwa kuwapenda wengine, hata katika mahusiano magumu na yasiyo ya kukubaliana. Fanya Upendo wako ueneze sana kwa wale ambao unatuletea kuwasiliana nao. Kwa utukufu wako. Amina.

Father, as we open ourselves to You, we confess places falling short of love. Forgive us for preferring attitudes/actions of envy & retribution over loving one another. We invite Your Spirit into the center of our beings to fill us with Your love & dispel any reaction or motivation that falls short of love. Help us love You by loving others, even in difficult & non-reciprocating relationships. May Your love overflow abundantly to those with whom You bring us into contact. For Your glory. Amen.
